WET CHEMISTRY

NFTA WET CHEMISTRY & NIR CERTIFIED

Quality!

Soiltest is committed to providing accurate and precise results in our feed analysis. To assure this we maintain a strict daily quality assurance/quality control program. Soiltest is certified for wet chemistry feed and forage analysis by the National Forage Testing Association. To obtain this certification, our laboratory analyzes blind samples throughout the year.

The new NIR technology is also certified by the National Forage Testing Association. As a double check we also analyze 5 % of the NIR samples by our wet chem. methods. Whether you choose WET CHEM or NIR, you can be assured that we are doing everything we can to provide the most accurate and precise results on your feed samples.

<u>Test Group</u>			<u>NIR</u>
Fw-1	%DM, %CP, ADF, NDF (RFV, TDN, DP, RF, GF, NEI, NEm, NEg)	\$38.00	NIR analysis can only be done on Alfalfa and Grass hay samples. Silage and other feed types must be done by WET Chem.
Fw-2	%DM, %CP, ADF, NDF, Lignin (TDN, DP, DF, Dig. Co., DM, NEI)	\$46.00	

<u>Test Group</u>		
Fw-3	%DM, %CP, ADF, NDF, Ca, Mg, K, P (RFV, TDN, DP, RF, GF, NEI, NEm, NEg)	\$46.00

Fw-4	%DM, %CP, ADF, NDF, All Minerals (RFV, TDN, DP, RF, GF, NEI, NEm, NEg)	\$50.00	Fn-2 %DM, %CP, ADF, NDF, %ADF Lignin, %HDP, * Ca, Mg, P, K by NIR (RFV, TDN, DP, RF, GF, NEI, NEm, NEg)	\$27.00
-------------	---	---------	--	---------

Fw-5	%DM, %CP	\$24.00	Fn-3 %DM, %CP, ADF, NDF, %ADF Lignin, %HDP, %sugar * Ca, Mg, P, K by NIR (RFV, TDN, DP, RF, GF, NEI, NEm, NEg)	\$31.00
-------------	----------	---------	---	---------

Fw-6	%DM, %CP, ADF (TDN, DP, RF, GF, NEI, NEm, NEg, "NO RFV")	\$32.00		
-------------	---	---------	--	--

Fw-7	Wet Chemistry total elements (Ca, Mg, P, K, Zn, Mn, Cu, Fe S, B, Na) added to a test group	\$32.00	*The degree of error for analysis of minerals by NIR is greater than if analyzed by Wet Chem. Therefore Wet Chem is recommended for mineral analysis.	
-------------	--	---------	---	--

INDIVIDUAL TESTING

Dry Matter	\$12.00	Crude Protein	\$20.00
ADF (Acid Detergent Fiber)	\$17.00	NDF (Neutral Detergent Fiber)	\$17.00
ADF Lignin only	\$24.00	Non Protein Nitrogen	\$20.00
Single Minerals (wet chem NO3-N, Ca, Mg, P, K, Zn, Mn, Cu, Fe, S, B, Na, Ash)	minerals (see above) added to any test group		
Other Total elements (Mo, Se, Pb, As, etc. by 3050 digest)	1st one		\$5.00 ea
	Each additional		\$22.00
			\$10.00 ea
